

# COVID-19 Response

Just as in any other market disruption, the Corona-virus and Shelter in Place requires a thoughtful shift in how you implement a new talent strategy

## Caring for Existing Staff

### SEVERANCE PACKAGE BENEFITS SERVICES

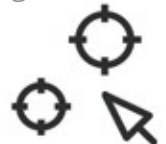

If you find yourself in the unfortunate place of having to let staff go, Building Talent can assist you in compassionately helping them get back on their feet through a creative severance package.

- Resume Review: Assist in formatting and highlighting the latest strategies of effective Resume building.
- Candidate Coaching: One on one ICF approved occupational coaching sessions.
- Personal Branding: Using DISC assessments to paint a talent brand that can be communicated across their social profiles and brand.
- Search Strategy: Developing a target and implementation plan for applying, attracting and standing out to new opportunities.

## Strategic A/E/C Partnerships

Building Talent has built several industry partnerships through A/E networking groups that can assist in all your operational challenges. We are happy to leverage any/all of our relationships we've invested in over the years to solve your growth challenges.
